Dear [REDACTED]
10:00 is perfect, we will try to arrange for a WebEx. If this does not work, we will simply call you on the phone.

Thanks a lot and speak to you tomorrow morning.

Best regards,

Dear [REDACTED]

Thank you for coming back to us on this file.

We would be available for a short call tomorrow morning. Would 9:30 or 10 suit you?

Best,

Objet : @EXT: Short update regarding MB implementing acts

Dear [REDACTED]

I hope this email finds you well. Would you have time for a short call this week to briefly update you on how the files have further developed following the debate amongst MS?

I understand that [REDACTED] would not be available on Thursday. For the rest, we would try to accommodate to any availability you may still have.

Thank you very much for your consideration and have a nice evening.

Best regards,

[REDACTED]
